### Summer Scholars and Artists Research Program, Materials Matter App, *Grant Recipient*

April 2019 - July 2019

Created a learning application to explain the foundation of the periodic table. Designed animations to build on these principles.

### Website Design, *Freelance*

December 2016 - January 2018

Built, designed, and create a multi-page website for a major New Jersey construction company using HTML and styled with CSS. Used Adobe Photoshop and Adobe Illustrator to create animations, logos, and web templates.

Worked directly with the company's president to ensure that all needs and desires were met.
